Propper should request documents given by DINA to Bolando Otero Hernandez with regard to assassination of Luis Andres Pascual Allende in Costa Rica. Also, Propper should get info on June 1976 CORU meeting in Dominican Republic.

One of possible motives for Letelier assassination was revenge against Chilean government by Cuban exiles for delivery to FBI of Otero, which was viewed by Cuban exiles as betrayal of their cause.

Letelier's assassination may have been conceived at June 1976 meeting. Joel Dionisio Suarez Esquivel proposed there that each group be represented in a military coordination group and first meeting should be in Florida on 6/27/76 at a location selected by Armando Lopez Estrada of 2506 Brigade. Dr. Juan Pulido proposed that Morales be assassinated but Legat B.A. doesn't believe it was because of his betrayal of Bosch 10 years ago--rather his betrayal of Otero.

States 2506 Brigade is part of CORU. Action was taken in concurrence with Directorate of Brigade 2500, of which Armando Lopez Estrada is a part--Lopez Estrada is military director.

Carbello says he is aware of fact that Ruiz and Jimenez arrested in Mexico and charged with attempt to kidnap Cuba's Consul in Merida, Yucatan, Mexico in July '76. Denied any prior knowledge of this act. Would not say who was supporting Ruiz/Jimenez. A Cuban national was killed in kidnapping attempt.

Says he knows of an organization called FLNC but would not comment as to its members.

Informant (2506 member) says Carballo and Armando Lopez Estrada have aligned themselves with CORU and other Brigade members opposed to this cooperation with a terrorist group and were considering challenging Carballos' leadership.

Teofilo Babun advised FBI he was close friend of Admiral Cesar Dewint of D.R. When Babun came to Miami as exile in 1962, he contacted Dewint and obtained franchise to operate cargo vessels between U.S. & D.R. Babun is a D.R. citizen. Said Frank Castro married Deivent's daughter and lives in D.R. Babun's nephew in business with Castro in D.R. Castro and Babun travel to D.R. together in Babuns' Lockheed Lodestar.

Castro advised FBI on 10/8/75 he leader of FLNC, closely associated with Dominican Air Force, teaches parachuting. States he was not involved in bombing of Dominican Consulate in Miami in Oct. 1975.

Ships owned by Babun have been used to carry supplies for raiding parties and to transport Cuban exiles going to D.R. for clandestine purposes. Also, his ships have been used by terrorist infiltration teams which have entered Cuba.

Humberto Lopez Nunez, FLNC terrorist, is fugitive of U.S. and lived with Castro in D.R.
